Jan 13 Soames, Philosophical Analysis in the 20th Century, Vol. 1, chs. 16-17
- Week 2 Jaegwon Kim, Events as Property Exemplifications
Jan 20 Jerry Fodor, The Special Sciences, or The Disunity of Science as a Working Hypothesis
- Week 3 Jaegwon Kim, Supervenience as a Philosophical Concept
Jan 27 Louise Antony, Anomalous Monism and the Problem of Explanatory Force
- Week 4 Jaegwon Kim, Epiphenomenal and Supervenient Causation
Feb 3 Jaegwon Kim, Making Sense of Emergence
 Louise Antony, Making Room for the Mental
 Frank Jackson and Philip Pettit, Program Explanation: A General Perspective
- Week 5 Terry Horgan, Supervenience and Cosmic Hermeneutics
Feb 10 Michael Tye, Supervenience, Materialism, and Functionalism: Comments on Horgan
- Week 6 Terry Horgan, From Supervenience to Superdupervenience
Feb 17 Michael Lynch and Jonathan Glasgow, The Impossibility of Superdupervenience
 Thomas Polger, Physicalism and Moorean Supervenience

- Week 7 Jaegwon Kim, Mechanism, Purpose, and Explanatory Exclusion
Feb 24 Jaegwon Kim, The Myth of Nonreductive Physicalism
 Jaegwon Kim, Multiple Realization and the Metaphysics of Reduction
- Week 8 Kim Symposium from *Philosophical Perspectives*, 1997
Mar 3 Louise Antony and Joe Levine, Reduction with Autonomy
 Ned Block, Antireductionism Slaps Back
 Jerry Fodor, Special Sciences: Still Autonomous After All These Years
- Week 9 Jaegwon Kim, Mind in a Physical World
Mar 10 Tom Bontly, The Supervenience Argument Generalizes
 Suzanne Bliss & Jordi Fernández, Does the Supervenience Argument
 Generalize?
- Week 10 Jaegwon Kim, Mind in a Physical World
Mar 17 Karen Bennett, Exclusion, Again
 Karen Bennett, Why the Exclusion Problem Seems Intractable and How, Just
 Maybe, to Tract It
- Week 11 *Spring Reading Day*
Mar 24
- Week 12 Louise Antony, Multiple Realization: Keeping It Real
Mar 31 Jessica Wilson, How Superduper Does Physicalist Supervenience Need to Be?
 Louise Antony, Multiple Realizability, Projectability, and the Reality of Mental
 Properties
- Week 13 Jaegwon Kim, Physicalism, or Something Near Enough
Apr 7 Robert J. Howell, Emergentism and supervenience physicalism
 Kevin Morris, Supervenience Physicalism, Emergentism, and the Polluted
 Supervenience Base
- Week 14 Jaegwon Kim, Physicalism, or Something Near Enough
Apr 14 Jaegwon Kim, Hempel, Explanation, Metaphysics

Week 15 Alyssa Ney, Physical Causation and Difference-Making
Apr 21 Alyssa Ney, The Causal Contribution of Mental Events
